As a member of the George Washington University family, you have access to a myriad of benefits and perks available to you. We’ll help you navigate through the wealth of program options available to find the best fit for you and your family.

The benefits covered in this document are Health and Welfare, Retirement, Time Off and Additional Perks.

Health and Welfare

Medical Plans
GW offers two different medical plan designs, both through UnitedHealthcare (UHC): the GW Health Savings Plan (HSP) and the GW PPO. Both plans include prescription drug coverage through CVS Caremark.

Flexible Spending Accounts (FSAs)
Use pre-tax dollars for eligible health and dependent care expenses by enrolling in one or both of our flexible spending accounts.

Health Savings Account (HSA)
If you participate in the GW HSP, you can use pre-tax dollars for eligible health care expenses by enrolling in a health savings account.

Dental Plans
Keep your smile healthy by choosing from three dental plan options offered through Aetna: High PPO, Low PPO and DMO. All GW dental plans are standalone, meaning you can enroll in dental coverage even if you don’t have medical coverage through the university.

Vision Plans
For only a few dollars each month, GW employees and their families can have access to one of two standalone vision plan options, Basic and Enhanced, both provided through UHC.

Short- and Long-Term Disability
In the event that you cannot work due to a non-work related illness or disability, the disability plans offered will provide you with income replacement. During your first two years, you are eligible to participate in GW’s voluntary short-term disability plan. After two years, you become eligible for GW-paid short-term disability, which covers between 50% and 100% of your income (depending on years of service and employee status). GW also provides basic long-term disability* for full-time, benefits eligible faculty and staff at no cost. You can also purchase additional long-term disability coverage if you’d like.

*Coverage begins after one year of service, unless the employee had prior group coverage within the last 12 months.

Life Insurance and Accidental Death and Dismemberment (AD&D) Insurance
GW provides basic life and AD&D insurance at no cost to you. You may purchase additional coverage for yourself or for your spouse, same- or opposite-sex domestic partner or children.

Retirement

403(b) Plan
Take the worry out of retirement by investing early. You may begin making contributions to GW’s 403(b) upon employment with the university. GW offers a traditional (pre-tax) as well as a Roth (post-tax) option.

401(a) Plan
After completing two years of service* at GW, you will automatically be enrolled in our 401(a) Retirement Plan, to which GW will make a base contribution of 4% of your eligible salary. Here’s where it gets really good: If you participate in the 403(b), GW will also match 150% of the first 4% of your contributions, up to a maximum match of 6%!

*The two-year service requirement may be satisfied in whole or in part by service at another college or university. If applicable, please complete the 401(a) Prior Employment Verification Form at https://benefits.gwu.edu/benefits-forms.
