This is a summary of the annual report for The George Washington University Retirement Plan for Faculty and Staff, EIN 53-0196584, Plan No. 001, for period January 01, 2011 through December 31, 2011. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

**Basic Financial Statement**

Benefits under the plan are provided by insurance and a trust fund. Plan expenses were $22,518,218. These expenses included $6,334 in administrative expenses, and $22,511,884 in benefits paid to participants and beneficiaries. A total of 13,065 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was $573,635,261 as of December 31, 2011, compared to $561,938,037 as of January 01, 2011. During the plan year the plan experienced an increase in its net assets of $11,697,224. This increase includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of $34,215,442, including employer contributions of $30,340,916, earnings from investments of $2,260,608, and other income including participant rollover contributions of $1,613,918.

The plan has a contract with TIAA-CREF which allocates funds toward individual policies. The total premiums paid for the plan year ending December 31, 2011 were $0.

**Minimum Funding Standards**

Enough money was contributed to the plan to keep it funded in accordance with the minimum funding standards of ERISA.
