1. Log into www.myuhc.com. Click on Find a Doctor

2. Select Find a Provider (this will open a new window)
3. Select **Change the Address**. Then enter **your home zip code** into Zip Code box and hit **OK**.
4. Select **Laboratory Facility** OR **Freestanding Facility**

![Diagrams showing search options for laboratory and freestanding facilities.](image-url)
5. A list of in-network, preferred Labs will filter to the top of the list. You can also filter by freestanding facilities by using “Narrow Your Results.” If you are looking for a specific Lab or Facility, you can enter the name of it in the “New Search” bar.
