How to find a preferred Lab or Freestanding Facility using myuhc.com

1. Go to www.myuhc.com
   Under Links and Tools, click on Find Physician, Laboratory or Facility
2. Select a Plan **UnitedHealthcare Choice Plus**
3. Select **Change the Address**. Then enter your home zip code into Zip Code box and hit OK.
4. Select **Laboratory Facility** OR **Freestanding Facility**
5. A list of in-network, preferred Labs will filter to the top of the list. You can also filter by freestanding facilities by using “Narrow Your Results.” If you are looking for a specific Lab or Facility, you can enter the name of it in the “New Search” bar.
