TUTION REMISSION

Important Eligibility Dates for the 2020 Tuition Remission Program

New staff employees are eligible for tuition remission the semester following successful completion of 180 days of regular employment. Staff employees transferring into a regular benefits-eligible position must have completed the 180-day waiting period in their benefits-eligible position prior to the first day of the semester, not the first day of class. The 180-day waiting period does not apply to faculty, research personnel, executive staff, and GW Affiliates (CNMC, VA, and NROTC).

The Tuition Remission Program follows the GW Academic Calendar.
